

Abstract Acceptance Letter for a Journal Article

Dear [Recipient Name],

Thank you very much interest in publishing your article on our journal [Sebsite, magazine, publication, etc..].

We have recieved your abstract titled [Atricle Title] and upon review decided to accept and consider for the next issue.

Congratulations!

In order to get your article published, we need to reicieve the full literature for a second review by the committe.

Please send to us no later than [Deadline] keeping in mind the publication guidlines outlined on our website.

Looking forward to seeing your article published very soon.

Best Regards
