

Quick informal class cancellation text

Subject: Tonight's Yoga - Cancelled (Sorry!)

Hi Everyone,

Super quick update - tonight's 7 PM yoga class is cancelled because I came down with something and don't want to share my germs with you lovely people!

Same time tomorrow? Let me know if that works.

Refunds available if you can't make the makeup class.

Feel free to text me back!

Namaste (from a distance),

Lisa
