Subject: Student Account Closure After Graduation

Hi there,

Hope you're doing well! I wanted to reach out about closing my student account now that I've graduated and started my career.

My account number is [Account Number], and I've been really happy with the student benefits over the past few years. However, now that I'm no longer eligible for student status, I'd like to close this account and move to a regular checking account with better features for working professionals. I've already set up my new account elsewhere, so please go ahead and close this one. There should be about [Amount] left in there - could you please send me a check for the remaining balance?

Thanks for everything! The student account really helped me manage my finances during college.

Cheers,

[Your Name]

[Graduation Date]
