

Research Direction Modification Approval

Subject: Approval for Thesis Topic Modification

Dear [Student Name],

After careful consideration of your request dated [Date], I approve the modification of your thesis topic from "[Original Topic]" to "[New Topic]".

This change aligns well with current research trends and your academic interests. However, please be aware that this modification may extend your completion timeline by approximately [Time Period] due to the need for additional literature review and methodology adjustment.

Your new thesis advisor will be [New Advisor Name], who specializes in this research area. Please schedule a meeting with them within the next week to discuss your revised research plan.

Updated milestone dates:

- Literature Review Completion: [Date]
- Methodology Approval: [Date]
- Data Collection Phase: [Date Period]
- First Draft Submission: [Date]

Please confirm your acceptance of these new timelines by replying to this email.

Best regards,

[Department Head Name]
