

External Review Approval

Subject: External Examination - Thesis Approved for Defense

Dear [Student Name] and [Advisor Name],

I have completed my review of the thesis titled "[Thesis Title]" submitted by [Student Name] for the [Degree] program.

After thorough examination, I find the thesis meets the academic standards required for defense. The research methodology is sound, the literature review is comprehensive, and the conclusions are well-supported by the data presented.

I have a few minor suggestions for improvement, which I have detailed in my attached review report. These are recommendations rather than requirements and can be addressed during the defense or in final revisions.

The thesis demonstrates original research and contributes meaningfully to the field of [Subject Area]. I approve this thesis to proceed to oral defense.

I look forward to participating in the defense scheduled for [Date].

Best regards,
