

Publication Rights Approval

Subject: Authorization for Thesis Publication

Dear [Student Name],

Congratulations on your successful thesis defense! Following the completion of all degree requirements, I hereby grant approval for the publication and distribution of your thesis titled "[Thesis Title]".

This approval covers:

- Submission to the university's digital repository
- Publication in academic databases (ProQuest, etc.)
- Distribution to external research institutions upon request
- Potential journal article publications based on your research

Please ensure that any future publications acknowledge your institution and thesis advisor appropriately. If your research involved human subjects or proprietary data, please verify that all ethical clearances remain valid for publication.

Your thesis will be made available in our digital library within 30 days. If you wish to embargo publication for patent or publication reasons, please notify us immediately.

We are proud of your academic achievement and research contribution.

Sincerely,

[Registrar Name]

[University Name]
