

Funny Yet Polite Authorization Message

Subject: Please Save Me a Trip to the Registrar!

Hey [Friend's Name],

Guess what? I'm officially trusting you with a power greater than coffee duty – collecting my birth certificate! The clerk will probably ask for this note and your ID, so I've got you covered.

Please don't lose it; I only get one birth certificate in a lifetime! Thanks, hero.

Cheers,

[Your Name]
