

Appreciation for collective gifts from multiple people

Dear Everyone,

I am overwhelmed with gratitude for the amazing group gift you all contributed to for the baby shower. The [specific item] is absolutely perfect and something I never would have been able to get on my own.

Your collective thoughtfulness and generosity have touched my heart deeply. Knowing that you all came together to give our baby something so special makes this gift even more meaningful.

Thank you each and every one of you for your kindness, support, and for making our baby shower such a memorable celebration.

With heartfelt appreciation,

[Your name]
