

# Change of Academic Direction Email

Subject: Withdrawal from Admission - Change in Academic Goals

Dear Admissions Team,

After much reflection and soul-searching, I have decided to withdraw my acceptance to [University Name] for the [Fall/Spring] [Year] semester. This decision comes from a significant shift in my academic and career interests that occurred after submitting my enrollment deposit.

Through recent experiences and conversations with professionals in various fields, I have realized that my true passion lies in a different direction than what your institution offers. I believe it would be unfair to both myself and the university to proceed without genuine commitment to the program.

I apologize for the late timing of this decision and any inconvenience it may cause. I recognize that this opens up a spot for another student who may be more aligned with your program's offerings.

Please process my withdrawal and confirm any refund policies that may apply. I wish your institution continued success and thank you for the opportunity you initially provided.

Best wishes,

[Your Full Name]
