

Transfer Request Due to Financial Constraints

Subject: Transfer Application - Financial Circumstances

Dear Admissions Office,

I hope this message finds you well. I am writing to apply for transfer admission to [University Name] for the [semester] semester, driven by circumstances that require me to make a difficult but necessary decision about my education.

I am currently a [year] student at [Current University] majoring in [major], where I have maintained a [GPA] GPA while working part-time to support my education. Despite my deep appreciation for the education I have received, the financial burden of attending [Current University] has become unsustainable for my family.

[University Name] offers not only academic excellence in [field of study] but also the opportunity to continue my education while remaining closer to home, significantly reducing living expenses. The combination of lower tuition costs and the ability to live with family would allow me to focus more fully on my studies without the constant stress of financial uncertainty.

I am passionate about completing my degree in [major] and am committed to contributing meaningfully to your campus community. I have researched your programs extensively and am excited about the opportunities available through your [specific department or program].

I have included all necessary documentation with this application and am hopeful for the opportunity to continue my educational journey at your institution. Thank you for considering my situation with understanding and compassion.

With sincere appreciation,

[Your Name]
