

Casual Service Approval

Subject: You're In! Service Agreement Approved

Hey [Service Provider],

Good to go on your proposal for [Service Description]! We've gone through everything with the team and everyone's excited to get started.

Your approach to [Specific Aspect] really stood out, and we think you'll be a great fit for what we're trying to accomplish. The pricing works for our budget, and your availability matches our timeline perfectly.

A few quick notes:

- Contract will be in your inbox tomorrow
- We'd like to start [Date] if that works
- Monthly check-ins will keep us all on track

Really looking forward to seeing what we can accomplish together. Hit me up if you have any questions!

Cheers,

[Your Name]
