

Educational Scholarship Sponsorship Request Letter

Subject: Create a Lasting Legacy Through Scholarship Sponsorship

Dear [Sponsor Name],

I am writing to invite [Company Name] to invest in the future by sponsoring scholarships through [School/University/Organization]. Education transforms lives, and your support can make higher education accessible to deserving students who face financial barriers.

We are establishing the [Scholarship Name/Program] to support [number] students annually who demonstrate [criteria: academic excellence, financial need, specific field of study, etc.]. The scholarship would cover [tuition, books, living expenses, etc.].

For a sponsorship of \$[amount annually/one-time], you would:

- Provide life-changing educational opportunities
- Receive naming rights for the scholarship
- Meet scholarship recipients at our annual awards ceremony
- Receive regular updates on students' progress and achievements
- Gain recognition in university publications and website
- Enjoy full tax benefits of charitable giving

Many of our scholarship recipients go on to become leaders in [fields], creating a ripple effect of positive impact. Several have even returned as donors themselves, perpetuating the cycle of giving.

[Company Name]'s reputation for [relevant company value] makes you an ideal partner for this initiative. Your investment would not only change individual lives but also strengthen the talent pipeline in [industry/field].

I would welcome the opportunity to discuss this further and introduce you to current scholarship recipients who can share their stories firsthand.

Thank you for considering this transformative partnership.

Respectfully,

[Your Name]

[Title]
