[Date] - [Merchant] - \$[amount]

[Date] - [Merchant] - \$[amount]

Total fraudulent charges: \$[total amount]

I have never done business with these merchants, and many of these charges occurred in locations where I have never been or at times when my card was in my possession. I believe my card information was compromised through [if known: data breach/skimming/online fraud].

I have taken the following actions:

This is an urgent matter affecting my financial security. I request expedited processing of this dispute.
