

Heartfelt request for goodwill adjustment

Subject: Request for Goodwill Adjustment on Credit Report

Dear [Creditor's Name],

I am reaching out to request a goodwill adjustment regarding the reporting of late payments on my account. I understand that the payments were late during [specific period], but since then I have maintained consistent on-time payments and worked diligently to improve my credit standing.

As a loyal customer who values our relationship, I kindly ask that you consider removing the negative marks from my report as a gesture of goodwill. This adjustment would greatly assist me as I work toward achieving financial stability.

Thank you for your understanding and consideration.

Warm regards,

[Your Name]
