

Casual Family Financial Support

Subject: Family Financial Support Agreement

Hi [Family Member's Name],

I wanted to put in writing our conversation about financial support so we're both clear on the arrangement.

I'll be providing \$[Amount] monthly to help with [specific purpose - rent, utilities, groceries, etc.] starting [Date]. This support is intended to be [temporary/ongoing] and will continue for approximately [timeframe] or until [specific condition].

Just so we're on the same page:

- Payments will be made on the [day] of each month
- Money will be transferred via [method - check, bank transfer, cash]
- This is [a gift/a loan to be repaid/family support]
- If circumstances change for either of us, we'll discuss adjustments

I want you to know this comes from love and our desire to help family. There's no need to stress about it - we're in this together.

Let me know if you have any questions or if anything changes.

Love,

[Your Name]
