

Informal Personal Project Sponsorship

Subject: Looking for a Little Help

Hey [Friend/Contact Name],

I'm reaching out because I'm working on a personal project called [Project Name], and I need some financial backing to get it off the ground. Even a small contribution would go a long way. I'll be happy to share updates and give you a shout-out once it's completed. Thanks so much for considering helping me out!

Cheers,

[Your Name]
