

Farewell Letter from Teacher to Students

Subject: A Heartfelt Goodbye

Dear Students,

As the school year comes to an end, I find myself reflecting on all the moments we shared together.

It has been an honor to teach and learn alongside such bright, kind, and enthusiastic young minds.

Each of you has grown so much, and I couldn't be prouder of your progress. Remember,

learning never stops – continue to be curious, brave, and kind in all that you do.

Though we will no longer meet in class, know that I will always cheer for your success. I will cherish

the memories we've made and hope you carry forward the lessons beyond the classroom.

Warm wishes,

[Your Name]
