

Healthcare billing dispute

Subject: Billing Error Dispute - Account #[Account Number]

Dear Billing Department,

I am writing to dispute charges on my recent medical bill dated [Date] for services rendered on [Service Date]. After careful review of the statement and my insurance benefits, I have identified several discrepancies that require immediate correction.

The specific errors I have found include:

- [Error 1 with explanation]
- [Error 2 with explanation]
- [Error 3 with explanation]

I have contacted my insurance provider who confirmed that [relevant insurance information]. The correct amount I should owe is \$[Amount] rather than the \$[Billed Amount] currently showing on my account.

I am requesting that you investigate these billing errors, make the necessary corrections, and provide me with a revised statement. I also need written confirmation that these errors will not negatively impact my credit score while this dispute is being resolved.

Please note that I am disputing these charges in good faith and am committed to paying the correct amount once the errors are corrected. I have always paid my medical bills promptly and wish to resolve this matter quickly.

I look forward to your prompt response and resolution within 30 days as required by law.

Respectfully,
