

Casual Peer Recognition Message

Subject: You Absolutely Crushed It Today!

Hey Alex,

Just wanted to shoot you a quick message to say you totally saved the day in that client meeting.

When the demo hit that technical glitch, the way you smoothly pivoted to the backup presentation and kept the client engaged was impressive.

Your quick thinking and calm demeanor turned what could've been a disaster into a win. The client was still smiling when they left, and that's all because of you.

Seriously, thanks for having the team's back. Drinks on me next happy hour!

Cheers,

Jordan
