Subject: Request for Permission to [Reason for Request]

Dear [Landlord's Name],

I hope this letter finds you well. I am writing to seek your permission regarding a matter that requires your approval as the landlord of the property I am currently renting from you. I have been a tenant at [Property Address] since [Move-in Date], and I have always strived to be a responsible and respectful occupant.

The purpose of this letter is to formally request your permission for the following matter:

[Explain in detail the specific request for which you need the landlord's permission. Be clear, concise, and provide all relevant information. For example, if you plan to sublet the property, make improvements or alterations, bring in a pet, install new fixtures, or any other request that requires the landlord's approval, provide details.]

I understand the significance of adhering to the terms and conditions outlined in the lease agreement, and I assure you that I will comply with any additional requirements or terms you may have for granting this permission. I also understand that any modifications or changes will be my responsibility and will not impose any financial burden on you as the landlord.

I kindly request you to review my application and respond at your earliest convenience. If you

require any additional information or documentation to facilitate your decision, please do not hesitate to contact me.

Thank you for considering my request. I value the positive relationship we have had throughout my tenancy, and I am committed to maintaining open communication and transparency throughout this process.

I look forward to your prompt response. Please feel free to contact me via phone or email if you have any questions or need further information.

Thank you for your attention to this matter.
