Subject: Some Advice for Your Upcoming Move

Hi [Friend Name],

I heard you're planning to move to [City/State]. I just wanted to share a few tips based on my experience. Make sure you check out the neighborhoods for safety and amenities, plan your budget carefully, and connect with locals or expat communities for support.

I hope this helps make your move smoother. Feel free to call me if you want more detailed tips or a checklist!

Best,

[Your Name]
