

Friendly and casual purchase inquiry

Subject: Quick Question About Your Products

Hi [Supplier's First Name],

Hope you're doing well! I came across your company's products and was particularly interested in [Product Name]. Could you let me know the price, minimum order quantity, and delivery timeframe?

If you've got a catalog or product list handy, I'd love to check that out too. Looking forward to hearing from you soon!

Best,

[Your First Name]
