

Graduate School Scholarship Recommendation

To the Graduate Scholarship Committee,

I am delighted to recommend [Student Name] for [Scholarship Name]. As [his/her/their] [thesis advisor/research supervisor/professor] at [University Name], I have worked closely with [him/her/them] for [time period] and can attest to [his/her/their] exceptional qualifications for advanced study in [field].

[Student Name] possesses the rare combination of theoretical knowledge and practical research skills essential for graduate-level work. [His/Her/Their] undergraduate thesis on [topic] demonstrated sophisticated understanding of [theoretical framework] and employed rigorous methodological approaches that yielded significant findings. This work resulted in [publication/presentation/award]. During [his/her/their] time as my research assistant, [Student Name] contributed substantially to [project name]. [He/She/They] independently managed [specific responsibilities], identified and resolved methodological challenges, and co-authored a manuscript currently under review at [journal name]. These experiences confirm [his/her/their] readiness for doctoral-level research. [Student Name]'s research interests in [specific area] address important gaps in current literature. [His/Her/Their] proposed project on [topic] is innovative, feasible, and has potential for meaningful contribution to the field. I am confident [he/she/they] has the intellectual capacity and persistence required to complete this ambitious research agenda.

Beyond research capabilities, [Student Name] excels as a teacher and mentor. [He/She/They] has served as a teaching assistant for [courses] and received outstanding evaluations from students. [His/Her/Their] ability to explain complex concepts clearly and engage diverse learners suggests strong potential for an academic career.

This scholarship would enable [Student Name] to pursue graduate studies without the financial pressures that often derail promising researchers. I believe [he/she/they] represents an excellent investment and will become a productive scholar who advances knowledge in [field].

I give [Student Name] my strongest possible recommendation. Please contact me at [email] or

[phone] to discuss [his/her/their] qualifications further.

Yours sincerely,

[Your Name]
