

Casual Apology Message for Her

Subject: Sorry Babe

Hey [Her Name],

I know I messed up, and I feel awful about it. I don't want us to fight or carry bad energy between us. You mean the world to me, and I really just want us to get back to being us again.

I love you, and I promise to do better next time. Let's not waste another day being upset with each other. You're too important to me.

Always yours,

[Your Name]
