

# Playful Apology Message for Him

Subject: Forgive Your Silly Girl

Hi Handsome,

Okay, I admit it! I was wrong (yes, mark this day on your calendar!). I'm sorry for being difficult, and I hate it when we're not laughing together. You know I can't stand it when you're upset with me.

So here's my promise: I'll make it up to you with your favorite dinner and unlimited cuddles. Deal? Because I miss your smile already.

Love always,

[Your Name]
