

Funny Reply to Appreciation Message

Subject: Flattered and Grinning

Hey [Name],

Thanks a ton for the kind words! I'm not used to compliments, so now my head is officially too big to fit through doors. Jokes aside, I really appreciate your message—it made my day.

I just did my part, and knowing it made a difference makes me feel even better. Next time I'll try to earn even more praise (though I'm not promising miracles!).

Big thanks again,

[Your Name]
