

Informal goodbye message to close workplace friends

Subject: Thanks for being amazing work buddies!

Hey everyone,

So here I am, actually writing my retirement goodbye email – can you believe it? Time really does fly when you're having fun (most of the time, anyway!).

I just wanted to take a moment to thank you all for being such incredible work friends. You've made the daily grind so much more enjoyable with your humor, support, and genuine friendship. From our lunch dates and coffee breaks to our after-work hangouts, you've all been such a bright spot in my work life.

Remember all those times we complained about Monday mornings together? Well, I'm going to miss those Monday mornings with you! I'm also going to miss our inside jokes, our shared eye rolls during long meetings, and definitely our Friday celebrations.

Don't be strangers – you know where to find me! I'll be the one sleeping in, traveling, and finally reading all those books I've been meaning to get to. But I'll always make time for lunch or coffee with any of you.

Let's definitely plan a get-together soon. Retirement party, anyone?

Love you all,

[Your Name]

P.S. – Keep me posted on all the office gossip! ☺
