

Encouraging message to those you've guided

Subject: Thank you for letting me be part of your journey

Dear [Name/Team],

As I prepare for retirement, I wanted to reach out and thank you for allowing me to be part of your professional journey. Working with you and watching your growth has been one of the most rewarding aspects of my career.

Your fresh perspectives, innovative ideas, and enthusiasm have kept me energized and reminded me why I fell in love with this profession in the first place. Teaching and mentoring you has taught me just as much as I hope I've shared with you.

I've watched you tackle challenges with determination, celebrate achievements with humility, and support each other with genuine care. These qualities will serve you well as you continue to advance in your careers.

Please remember that learning never stops, and the curiosity and passion you've shown are your greatest assets. Trust in your abilities, don't be afraid to take calculated risks, and always remember to lift others up as you climb.

I'm confident that the future of our industry is in excellent hands with professionals like you leading the way. I can't wait to see what amazing things you'll accomplish.

Stay in touch and never hesitate to reach out if you need advice or just want to share good news. I'll be cheering you on from retirement!

With pride and best wishes,
