Subject: Quick Solution for Your [Specific Need]

Hi [Name],

Hope you're doing well! I noticed you mentioned struggling with [specific challenge] during our last conversation. This got me thinking â€œ our team has been helping companies like yours solve exactly this problem.

Here's what we could do for you:

- [Service 1] to address [specific pain point]
- [Service 2] for improved [benefit]
- [Service 3] resulting in [measurable outcome]

The whole process takes about [timeframe] and typically saves our clients [amount/percentage] in [area]. We've done similar work for [similar company type] with great results.

Want to hop on a quick 15-minute call this week to chat about it? No pressure â€œ just thought it might be helpful.

Cheers,

[Your Name]
