

Creative Suggestion Email for New Marketing Campaign

Subject: Idea for Social Media Engagement

Hi [Marketing Lead],

I've been brainstorming ways to increase our social media presence, and I'd like to suggest a weekly interactive challenge for our followers. This could include fun polls, quizzes, or mini competitions aligned with our brand theme.

I believe this will boost engagement and create a stronger connection with our audience. I'm happy to draft a sample schedule and creative content ideas if you think this is worth exploring.

Cheers,

[Your Name]
