

Heartfelt Sympathy Letter for a Close Friend

Dear [Friend's Name],

I just learned about your diagnosis, and my heart goes out to you. I can only imagine how difficult this must be, but I want you to know that I am here for you every step of the way.

Please remember that you are not alone, and I am ready to help in any way you need, whether it's accompanying you to appointments, running errands, or just sitting together in quiet support.

Sending you strength, courage, and love during this challenging time.

With all my heart,

[Your Name]
