

Informal appreciation message for friend's wedding gift

Hey [Friend's Name]!

OMG, I can't even begin to tell you how much I love the [specific gift] you got us! You know me so well - it's absolutely perfect and exactly something we would have picked out ourselves.

Having you at the wedding was already the best gift ever, but then you went above and beyond with such an amazing present. We've already put it to good use and think of you every time!

You're seriously the best, and I'm so lucky to have a friend like you. Let's definitely get together soon so I can show you how we've set everything up in the new place.

Love you tons!

[Your name]

P.S. - Can't wait for you to see the wedding photos! You looked absolutely stunning.
