

Casual Email to Creditor About Promotional Inquiry Opt-Out

Subject: Request to Stop Pre-Approved Credit Inquiries

Hi [Company Name] Customer Service,

I noticed that your company has been making soft inquiries on my credit report for pre-approved credit offers. While I understand these don't affect my credit score, I'm not interested in receiving these offers and would like to opt out.

Could you please:

- Remove my information from your pre-screening lists
- Stop any future soft inquiries related to promotional offers
- Confirm once this has been completed

I've also registered with optoutprescreen.com, but wanted to reach out directly to make sure I'm removed from your specific marketing lists.

Thanks for taking care of this!

Best,
