

Heartfelt Welcome Letter to Kindergarten Parents

Subject: A Warm Welcome to Kindergarten

Dear Families,

Welcome to a new chapter in your child's life—kindergarten! This is a milestone moment for both your child and your family, and I am honored to walk alongside you during this journey.

Our classroom is a place where children are encouraged to explore, imagine, and create. Beyond academics, we aim to nurture kindness, respect, and curiosity. Together, we will celebrate the small victories and big accomplishments.

Please know that my door is always open. Communication between parents and teachers is the key to building a strong foundation for success. I am excited to work with you and your child in creating a memorable year.

With heartfelt enthusiasm,

[Teacher's Name]
